DEVORE 2 – ROADWORK UPDATE

San Bernardino County – Caltrans continues work on the Devore 2 pavement rehabilitation project on Interstate 15 at the 215 interchange, just below the Cajon Pass. The contractor has elected to postpone Rapid Rehab weekend closures for the month of December.

During the month of January 2007, there will be two final weekend connector closures. The remaining closures, yet to be scheduled, are as follows:

- ✍✍Closure D – will close southbound 215 at the15 connector.
- ✍✍Closure E – will close northbound 215 at the 15 connector.

These last two closures will have a moderate impact on traffic. Motorists will be diverted to I-15 as a detour for both closures. Use I-10 between the 15 and 215 as the detour for the 215.

Night work will continue Monday through Sunday from 6 p.m. to approximately 6 a.m. **Caltrans will give you a break for the holidays. To accommodate holiday travel, there will be no planned lane or ramp closures beginning Friday, December 22, at 6:00 a.m. to Tuesday, January 2, at 6:00 p.m. This includes the Devore 2 project and any other Caltrans construction or maintenance projects.**

The project is expected to be complete in early 2007. Inclement weather may have an effect on the construction schedule. For more information on this project or other Caltrans roadwork, please go to our website at www.caltrans8.info. You may request a Devore 2 brochure or sign up for weekly alerts from the website.
