DATE: September 6, 2013

WHERE: Date Palm Drive and Interstate 10 (I-10)

WHEN: September 12, 2013

CONTACT: Dennis Green, (909)800-0451

SEMA Construction is continuing work at the $14.8 million Date Palm Drive Interchange Project in Palm Desert. In order for crews to safely complete the concrete paving in the middle of the intersection, ramps and roads will need to be closed

The eastbound I-10 ramps at Date Palm Drive will be restricted to "No Left Turns" for a 30 day period beginning the evening of September 12, 2013. Towards the end of this 30 day period, Date Palm Drive between I-10 and Varner Rd. will also be closed.

The Date Palm Dr. Intersection Project is scheduled to be completed in January 2014.

Please see the following handouts for closure details and detours

http://www.i10cvcprojects.com/date-palm-drive/upcoming-date-palm-drive-closures/

The I-10 Coachella Valley Corridor projects are overseen by the Coachella Valley Corridor Projects Task Force, a coalition that includes the County of Riverside, Caltrans, the Coachella Valley Association of Governments and the desert cities. For project information about this project or other interchange projects along Interstate 10 in the Coachella Valley, please visit www.i10cvcprojects.com.
