GREEN RIVER ROAD INTERCHANGE
PROJECT UPDATE

CORONA – Construction crews will be working at freeway level to install traffic signal loops October 28th and 29th. This work requires closure of 4 lanes on westbound State Route 91 from 6 pm to 3 am. Caltrans will gradually reduce the number of lanes beginning at 6 pm. Two lanes will be available on the westbound side from 9 pm to 3 am.

Keep traffic moving! Make space for other vehicles by allowing them to merge while maintaining traffic flow. Minor delays are expected.

Visit our website often for information on this and other projects in San Bernardino and Riverside Counties. While there, sign up in the "News and Document Center" to receive Commuter Alerts and News Releases on projects that may affect your commute.
