

Interstate 10 Citrus & Cherry Interchange Projects

TRAFFIC ADVISORY

Tuesday, January 7, 2014

Traffic Advisory #64

San Bernardino Associated Governments, the City of Fontana, the County of San Bernardino and Caltrans have teamed up to improve the Interstate 10 interchanges at Citrus Avenue and Cherry Avenue in Fontana.

A temporary lane reduction at Cherry Avenue will be in place for bridge structure and support work. Please follow posted detour signs during these closures.

Please refer to the information below for closure details:

INTERSTATE 10 CHERRY AVENUE INTERCHANGE		
Wed., January 8 at 10 pm through early March 2014	Northbound Cherry Avenue just south of Valley Boulevard	A temporary closure of the left-turn lane will be required. The left turn pocket from northbound Cherry Avenue to westbound Valley Boulevard will be closed. During this closure, motorists can use the northbound through lane to make a left turn or continue north on Valley Boulevard.

Please note that construction activities are subject to change, based on contractor's schedule and weather conditions.

When complete, the Interchange projects will replace the current Citrus Avenue bridge over I-10 with a seven-lane bridge and the current Cherry Avenue bridge over the freeway with an eight-lane bridge. The project also will widen the bridges over the railroad tracks and improve on-ramps and off-ramps. Upgrades will be made at the intersection of Citrus Avenue and Valley Boulevard, Cherry Avenue and Slover Avenue, and other local street improvements.

Thank you for your patience and support during these improvement projects. Please be aware of the construction area and always make a point to... **SLOW FOR THE CONE ZONE** and **MOVE OVER** a lane when it is safe to do so.
