STRIPING ON SR-91 AT GREEN RIVER ROAD!

CORONA – Caltrans plans to complete striping eastbound SR-91 at Green River Road tonight from 10 p.m. to 7 a.m. The striping was cancelled last night because of fog and weather conditions. If weather permits, the following lane closures will occur tonight. The two HOV lanes will be closed at 10 p.m. At midnight, the #3 and #4 lanes will also be closed. When the crew has finished striping the HOV lanes, traffic will be directed to the HOV lanes and the #5 and #6 lanes will be closed. At least two lanes will be open during the striping.

LOCATION	DATE	TIME	CLOSURE
Eastbound SR-91	Friday, January 9	10 p.m. to Midnight	2 HOV lanes
Eastbound SR-91	Friday, January 9	Midnight to completion of striping HOV lanes	2 HOV lanes and #3 and #4 lanes
Eastbound SR-91	Friday, January 9	Completion of striping HOV lanes to 7 a.m.	#3, #4, #5, and #6 lanes

Thank you for your patience as Caltrans completes the final phases of this project. We are in the home stretch! For more information relating to this and other Caltrans, District 8 projects, visit www.caltrans8.info and click on “News and Document Center” or contact us at (866) 383-4631.
