

CALTRANS COMMUTER ALERT

11-006

Date: Monday, January 10, 2011
District: 08 – Riverside County
Contact: Kathy Boltz or Terri Kasinga
Phone: (909) 383-4416 ; Cell (951) 232-4628

Closures on Interstate 215 & Westbound 91 Connector in Riverside

RIVERSIDE – The California Department of Transportation (Caltrans) will close all but two lanes of northbound Interstate 215 from Blaine Street to the 60/91/215 Interchange in Riverside from 9:30 a.m. to noon tomorrow. The carpool and fast lanes will remain open. All motorists will be allowed to use the carpool lane during this closure. The Blaine Street on-ramp to northbound Interstate 215 and the connector to westbound State Route 91 will also be closed. The closures are necessary to inspect pavement at the Chicago Avenue overcrossing before an emergency project begins on northbound Interstate 215.

This emergency project was awarded on December 23, 2010 to Brutoco Engineering & Construction, Inc. of Fontana, California. They are completing work this week on southbound Interstate 215 to strengthen the area of the bridge deck between the original 1961 structure and the bridge widening performed in 2007.

Please drive carefully through the construction zone and remember to **SLOW FOR THE CONE ZONE**.

For the latest closure information on this project, visit www.caltrans8.info or sign up for immediate twitter updates at www.twitter.com/caltrans8.
