## State Route 62 (SR-62) Paving Project

A project to rehabilitate the pavement on State Route 62 (SR-62) in Yucca Valley to Twentynine Palms from Yucca Mesa Road to Bermuda Avenue will continue next week with lane closures. The project will grind the existing roadway and replace with new material to ensure longevity of the route. The paving portion of the project has been completed; electrical work remains.

There continues to be alternating lane closures in both directions in Twentynine Palms from Yucca Mesa Road to Bermuda Avenue from 5:00 a.m. to 6:00 p.m., Monday through Friday.

Please be advised that for the next four months there will be limits for oversized loads, as there are 11 feet shoulders in some locations, as well as the bridge near Paradise Avenue has a horizontal clearance of 26 feet. Additionally, left turns will not be permitted onto Dillon Road, from either direction, due to the presence of k-rail. The project is expected to be complete by early Summer 2014.
