Or (909) 383-4631 (Caltrans Public Affairs)

DEVORE 2 – WEEKEND WORK ALERT

San Bernardino County – Caltrans continues the work for the Devore 2 pavement rehabilitation project on Interstate 15 (I-15) at the Interstate 215 (I-215) in Devore, just below the Cajon Pass. I-15 drivers will be pleased to know that the contractor has planned that last of extended weekend connector closures for January 19, 2007.

 Closure E - will close the northbound I-215 connector to the northbound I-15. Lanes will also be reduced on I-15 northbound from the 215 connector to Kenwood Avenue.

The weekend work will begin on Friday evening, January 19, at 9:00 p.m. and continue through Monday morning, January 22, at 4:00 a.m.

Driver Advisory!!

Northbound 215 motorists, who do not exit before the closure at Devore Rd., will be detoured on the northbound 215 connector to southbound 15, then exited at Glen Helen Parkway, and re-routed back to I-15 north. This detour is likely to have slow moving traffic that may add to your travel time.

Heavy congestion is expected for both directions of I-15 on Saturday (Jan 20) and Sunday (Jan 21) from late morning to evening. The delays may be up to three hours or more without diversion. Plan ahead and allow extra travel time or avoid the area if at all possible.

Night work will continue as Caltrans complete the final striping, guardrail and drainage work. The night work hours on southbound I-15 are from 6 pm to 4 am and on northbound I-15 from 10 pm to 8 am. Night work on weekends may also be necessary and will be advertised in advance. Inclement weather may affect the construction schedule. The project is expected to be complete in early 2007. For more information on this project or other Caltrans roadwork, please go to our website at www.caltrans8.info. You may request a Devore 2 brochure or sign up for weekly alerts from the website. If you do not have access to a computer, please call us at (866) 383-4631.
