## **NEW GUARDRAILS TO BE INSTALLED ON STATE ROUTE 71**

**CHINO HILLS** – The California Department of Transportation (Caltrans) announces the beginning of a safety improvement project on State Route 71 near the city of Chino Hills on Tuesday January 16, 2007. This project will provide upgraded guardrail between the Soquel Canyon Parkway overcrossing and the Pine Avenue overcrossing.

In order to ensure the safety of construction crews and motorists, one lane will be closed Monday through Friday from 8:00 am to 4:00 pm in the construction zone for the duration of the project. Two lanes will remain open to motorists. Project completion is anticipated in mid April.

Closure signs will be posted to advise motorists of the lane closures. Caltrans encourages motorists to merge early and use caution while driving through the construction area. For updates on Riverside and San Bernardino County state highway work, please go to our website, [www.caltrans8.info](http://www.caltrans8.info) and click on the News and Document Center or call Public Affairs at (909) 383-4631. Remember, at Caltrans, we are here to get you there.
