#### New I-215 Southbound Off-Ramp

The recent change in the weather has delayed the striping of the new southbound off-ramp. Weather permitting, crews will resume work to complete final striping on **Wednesday, January 13**. As part of this work, the existing southbound off-ramp will be closed entirely to allow crews to prepare for the traffic switch.

Please expect some delays while configuration for the traffic signal at the intersection is completed on Thursday, January 14.

Please plan ahead in anticipation of the temporary increased traffic in this area. If possible, please avoid the project corridor and use an alternate route. Motorists and pedestrians should slow down and use caution when traveling through work zones, near barricades and equipment.
