Visit our website, Caltrans8.info, often for updates on the Magnolia Avenue Interchange Project and other projects in San Bernardino and Riverside Counties. While there, sign up in the “News and Document Center” to receive Commuter Alerts and News Releases on this project and any of those that may affect your commute.

Give yourself extra commute time. Be prepared to merge early and make space for vehicles around you- so everyone can get from Point A to Point B successfully. Thank you for your patience as Caltrans establishes the work zones at Magnolia Avenue.
