STATE ROUTE 91 BLASTING DATE CHANGES

CORONA– Blasting adjacent to SR91 has been changed to January 23, 2008. A local development project in the City of Corona, adjacent to State Route 91 at McKinley Avenue, requires temporary closure of the freeway to accommodate the blasting. Sukut Construction will blast from 12:30 to 12:50 pm. The SR-91 will close at McKinley Avenue in both directions during the blast. **BE PREPARED TO STOP.**

Sukut Construction has advised Caltrans that more closures will be needed to complete the local development project. Stay tuned for these important updates! Future Commuter Alerts will be issued by Caltrans to advise motorists.

Drivers may take alternate freeways to the Inland Empire or anticipate the delay caused by the blasting and closure of the freeway. Thank you for your patience. Caltrans reminds drivers to always SLOW FOR THE CONE ZONE – the life you save may be your own or someone you love.
