## PROJECT UPDATE WIRELESS VIDEO DETECTION SYSTEMS

**SAN BERNARDINO** –Caltrans continues installation of a new wireless video detection on Inland Empire freeways that analyzes traffic data faster and will ultimately afford faster traffic alerts for the public. Crews will be installing the sensors on Interstate 10 this week. Please see below for the project location.

Location	DATE	TIME	CLOSURE
Eastbound Interstate 10 In Colton	Tuesday night, Jan. 27th to Wednesday Morning, Jan. 28th	9 PM to 3 AM	Outside lane and shoulder closed

Advisory signs will be posted. Merge early and make space for the cars around you. Allow extra commute time. **Most importantly- SLOW DOWN- crews will be on foot and will be working in lanes at night!**

Visit [www.caltrans8.info](http://www.caltrans8.info) for information on projects in District 8. Access Commuter Alerts and Press Releases by clicking on ‘News and Document Center’ or call us at (866) 383-4631.

**SLOW FOR THE CONE ZONE**  
 The life you save may be your own!
