RAMP WIDENING AT FOOTHILL ON INTERSTATE 15

Rancho Cucamonga – Caltrans will begin a project to widen the northbound off ramp at Foothill Blvd. on Interstate 15 (I-15). The construction will widen the ramp to two lanes exiting the I-15 with an auxiliary lane. The addition of this exit lane will improve traffic flow on the busy ramp. The project begins on Monday, February 5, 2007 and is expected to be complete by summer 2007.

Most of the work will take place at night with minimal daytime work. Lane closures will be necessary on the northbound I-15 before and after the Foothill Blvd. ramp as follows:

- ☞☞Monday through Thursday from 10:00 p.m. to 6:00 a.m.
- ☞☞Fridays from 12:00 a.m. (midnight) to 6:00 a.m.
- ☞☞Saturdays from 12:00 a.m. to 7:00 a.m.
- ☞☞Sundays from 10:00 p.m. to 9:00 a.m.

Ramp closures for the northbound I-15 at Foothill Blvd. for the widening work are as follows:

- ☞☞Monday through Thursday from 9:00 p.m. to 6:00 a.m.
- ☞☞Fridays from 9:00 p.m. to 6:00 a.m.
- ☞☞Saturdays from 8:00 p.m. to 8:00 a.m.
- ☞☞Sundays from 9:00 p.m. to 9:00 a.m.

For more information on Caltrans roadwork, please go to our website at caltrans8.info. As soon as you see orange cones ahead, know that you are heading into the CONE ZONE. Most cone zone collisions occur without warning, before cars even reach the construction area. Most injuries and deaths in the cone zone are from rear-end collisions. Focus...don't talk on the phone or change radio stations. A quick reaction could save your life.
