STATE ROUTE 91 CLOSURES TEMPORARILY FOR BLASTING

CORONA– A local development project in the City of Corona, adjacent to State Route 91 at McKinley Avenue, requires temporary closure of the freeway to accommodate blasting. Sukut Construction will blast on Tuesday, February 5th from 12:30 to 12:50 pm. The SR-91 will close at McKinley Avenue in both directions during the blast. **BE PREPARED TO STOP.**

Drivers may take alternate freeways to the Inland Empire or anticipate the delay caused by the blasting and closure of the freeway. Thank you for your patience. Caltrans reminds drivers to always **SLOW FOR THE CONE ZONE** – the life you save may be your own or someone you love.
