“Cone Zone” tip for the week:

Did you know that Caltrans offices will be closed every first and third Friday?

Caltrans will be participating in the two day a month furlough program as directed by Governor Arnold Schwarzenegger. As a result, all Caltrans offices will be closed every first and third Friday of each month during the furlough process beginning Friday, February 6, 2009 through June 2011. Necessary personnel will be available only in the event of an emergency.

Remember to slow for the cone zone!
