Detour Schedule

On February 7, when WB onramp is closed traffic will use EB on ramp to Palm Drive and turn around to head WB.

On February 8, when WB on ramp is closed traffic should use EB on Ramp to Palm Drive and turn around to head WB. When EB on ramp is closed traffic should use WB on ramp to Rte 62 and turn around at Dillon to get back to EB I-10.

On February 9, when WB off ramp is closed traffic should use Rte 62 and turn around at Dillon, head EB on I-10 to get back to Indian Interchange. When WB on ramp is closed then traffic should use EB on Ramp to Palm Drive and turn around

to head WB. When EB on ramp is closed traffic should use WB on ramp to Rte 62 and turn around at Dillon to get back to EB I-10.

On February 10, the detour schedule will be the same if closures are necessary.

On February 13, when EB off ramp is closed from 9:00 am to 12:00 pm, traffic should take EB off at Palm Drive and head back on WB I-10 to Indian Canyon. When EB is closed from 12 pm to 3 pm, traffic should use WB on ramp to Rte 62 and turn around at Dillon to get back to EB I-10.

On February 14, Indian Canyon Drive will be closed at 20th and Garnet to thru traffic. Freeway traffic will be taken off at the EB off ramp and guided back on at the EB on ramp.

On February 15, WB freeway closure only if needed.

Riverside County Transportation Department is providing contract administration for this project. Visit i10cvcprojects.org for information on this project.

The I-10 Coachella Valley Corridor projects are overseen by the Coachella Valley Corridor Projects Task Force, a coalition that includes the County of Riverside, Caltrans, the Coachella Valley Association of Governments and the desert cities.

Please visit www.i10cvcprojects.com for any changes to the above schedule and for detour maps.
