

74/215 INTERCHANGE PROJECT CONSTRUCTION ALERT

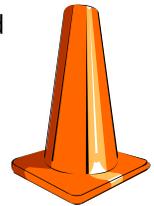

Alert #21

Date: Thursday, February 10, 2011

PERRIS – The Riverside County Transportation Commission and project partners continue constructing the 74-215 Interchange (also known as the 4th Street Interchange). Foundation work is scheduled along the center median. **Closures will be required as follows, weather permitting:**

Closure Activity	Closure Location	Date, Time and Details
Freeway lane closure	Southbound I-215 between Perris Boulevard Overcrossing & the temporary 4 th Street off-ramp	Monday through Thursday nights, Feb 14, 15, 16 & 17 Lane closure will occur each night from 9 pm to 5 am the following morning. One travel lane will remain open during these closures.
Full freeway closure- Northbound	Northbound I-215 at 4th Street	Monday through Thursday nights, Feb. 14, 15, 16 & 17 A full northbound freeway closure will occur each night from 8 pm to 4 am the following morning. During these closures, motorists will be detoured to the 4th Street off-ramp and return to northbound I- 215 via the 4th Street on-ramp.

The project will pave the way for better traffic flow, easier access to downtown Perris and improved connections to both north and south Interstate 215. The project will replace the current two-lane bridge over the freeway with an eight-lane bridge, realign freeway ramps, widen streets, replace stop signs with traffic signals, add a sidewalk north of the bridge and build residential sound walls. Throughout construction, please remember to **Slow for the Cone Zone!**
