## REST AREA MEETING NEW STANDARDS

**Beaumont** – Caltrans will upgrade the Brookside Rest Area facility located on Interstate 10 in Beaumont, one mile east of Calimesa. The work will begin on February 23, 2009 and will close the facility until the end of March 2009, weather permitting.

The rest area will be upgraded to meet the current American Disabilities Act (ADA), making the facility more convenient and comfortable for users.

Work on other State-owned rest areas in Riverside and San Bernardino counties has been and is slated to take place. The most recent project is the rebuild of the Valley Wells Rest Area located near Baker on I-15. The entire facility is being reconstructed with user-friendly surroundings and amenities.

For information and locations of California Rest Areas, please go to <http://www.dot.ca.gov/hq/maint/ra/>.

**Slow for the cone zone!**
