SAN BERNARDINO – California Department of Transportation (Caltrans) would like to inform motorists of a project beginning on Interstate 215 from Orange Show Road in San Bernardino to the 60/91/215 interchange. This \$170 million project was awarded in January 2013 to Ames Construction located in Corona, CA. This project will add an HOV lane (carpool) in each direction, two railroad bridges will be rebuilt and one new railroad bridge added; Newport Bridge will be demolished and rebuilt and Interstate 10 and the Santa Ana River Bridge will be widened.

For the next two weeks, crews are working on striping throughout the project area - weather permitting.
