Nighttime Closure of Eastbound 91 Lanes and Ramps between the 71 and the 15

Wednesday, February 15, 10 pm to 5 am - Lincoln Avenue to the 15
Thursday, February 16, 10 pm to 5 am - 71 to Lincoln Avenue

As part of the Riverside County Transportation Commission’s (RCTC) 91 Project, crews will be restriping eastbound 91 at night between the 71 and the 15 in two sections on February 15 and 16. During this time, alternating lane closures of the outside and inside lanes of eastbound 91 and ramps will be closed. Expect significant delays during these two nights and use alternate routes if possible. Please note that lane reductions will begin 1-2 hours prior to the 10 pm lane closures.

Wednesday, February 15, 10 pm to 5 am, Eastbound 91 from Lincoln Avenue to the 15 - Alternating closures of the eastbound 91 lanes will occur between Lincoln Avenue and the 15. From 10 pm to approximately 3 am, the outside lanes and all eastbound on and off-ramps within this area will be closed. Motorists heading east during this time may enter the 91 at Paseo Grande or take the 15 to eastbound 91. Ramps and outside lanes will open after 3 am, and the inside lanes then will close until 5 am.

Thursday, February 16, 10 pm to 5 am, Eastbound 91 from the 71 to Lincoln Avenue - Alternating closures of the eastbound 91 lanes will occur between the 71 and the 15. From 10 pm to approximately 3 am, the outside lanes, all eastbound on-and off-ramps, and the southbound 71 to eastbound 91 connector will be closed within this area. Motorists heading east may enter the 91 at Lincoln Avenue or use alternate routes. Ramps, the connector and outside lanes will open after 3 am, and the inside lanes then will close until 5 am.
Please follow posted detour signs, allow extra travel time, and check real-time traffic information using IE511.org.
