February 19-20 Friday-Saturday 10pm-7am	<ul style="list-style-type: none"> Intermittent ramp closures on northbound I-215 on- and off-ramps

Project Schedule

NOTE: Information contained in this Construction Alert is subject to change without notice, based on inclement weather, field conditions or other operational factors.

Lane Reductions Continue on Newport Road for Roadway Widening Activities

Night work on eastbound and westbound Newport Road between Haun Road and Antelope Road will continue intermittently at night **Tuesday-Friday, February 16-19, from 8pm-6am and Friday-Saturday, February 19-20 from 10pm-6pm** for water relocation work and roadway widening.

Please be advised that lanes will temporarily be reduced to one lane in each direction and the left turn pocket will be closed at night.

Please plan ahead in anticipation of the temporary increased traffic in this area. If possible, please avoid the project corridor and use an alternate route. Motorists and pedestrians should slow down and use caution when traveling through work zones, near barricades and equipment.
