Interstate 15 / Rancho Road Interchange Project to “Open” with Public Ceremony

Hesperia – The San Bernardino Associated Governments (SANBAG), City of Hesperia, and the California Department of Transportation (Caltrans) invite all interested parties to join them in a ceremonial opening for the Interstate 15/Rancho Road Interchange Project on Friday, February 20th at 11:30 am. The event will be held on the western portion of the new bridge over I-15. On-site parking will be available on the eastern portion of the new bridge with access via Mariposa.

Who: SANBAG, City of Hesperia, Caltrans

What: Dedication ceremony for the I-15/Rancho Road Interchange Project

When: Friday, February 20, 2015
11:30 am

Where: Rancho Road Interchange (western portion of new bridge over I-15)
Hesperia, CA

Why: This interchange opens up another east/west alternative from I-15 for the High Desert. During construction of the new interchange, a construction-related fire on May 5th set the completion schedule back from its original expected completion of October 2014. The celebration marks the culmination of that recovery effort.

Photo Op: Program dignitaries:

- Robert Lovingood, San Bernardino County Supervisor, 1st District
- Ryan McEachron, SANBAG Vice President and Victorville Council Member
- Eric Schmidt, Mayor of Hesperia
- Basem Muallem, Caltrans District 8 Director

Special Guest

- Hon. Jay Obernolte, Assembly Member 33rd District

Full audience participation in the ribbon-cutting spanning the entire bridge.

* refreshments will be served
