UPDATE: Closures of Main Street between Fourth Street and Grand Boulevard for Paving

Tuesday, February 21, 9 am to Wednesday, February 22, 5 am - Main Street, Northbound Lanes
Wednesday, February 22, 9 am to 7 pm - Main Street, Southbound Lanes

As part of the Riverside County Transportation Commission’s (RCTC) 91 Project, Main Street will be closed for street paving between Fourth Street and Grand Boulevard, weather permitting. Daytime closures are required, since nighttime temperatures are too cold for paving to occur. During the night, there will be other work activities. The street will be temporarily striped; final striping will take place in the coming weeks. Access will be maintained to all local businesses in this area, and flaggers will be on site to assist. Please patronize these local businesses. In the event of a weather delay, the work will take place on the next available day.

Tuesday, February 21, 9 am to Wednesday, February 22, 5 am - Closure of Northbound Main Street, Eastbound 91 Main Street On-Ramp, and Westbound 91 Main Street Off-Ramp
- These lanes and ramps will be closed between Fourth Street and Grand Boulevard. Southbound Main Street will have only one lane open, as other lanes will be used to place equipment and materials and to maintain a safe work area for crews. To access businesses on the east side of Main Street, motorists can use Third Street or Fourth Street. For northbound travel, use East or West Grand Boulevard. Use Lincoln Avenue to access the 91. This work was
originally projected to end at 7 pm on February 21, but operational issues will require the northbound Main Street lanes to remain closed until 5 am on Wednesday, February 22.

**Wednesday, February 22, 9 am to 7 pm - Closure of Southbound Main Street, Eastbound 91 Main Street Off-Ramp, and Westbound 91 Main Street On-Ramp** - These lanes and ramps will be closed between Fourth Street and Grand Boulevard. Northbound Main Street will have only one lane open, as other lanes will be used for work staging. To access businesses on the west side of Main Street, motorists can use Third Street. For southbound travel, use East or West Grand Boulevard. Use Lincoln Avenue to access the 91.

Please follow posted detour signs, allow extra travel time, and check real-time traffic information using IE511.org.
