Nighttime Closure of Eastbound 91 Lanes and Ramps between the 71 and the 15
Tuesday, February 21 and Wednesday, February 22, 10 pm to 5 am

As part of the Riverside County Transportation Commission's (RCTC) 91 Project, crews will continue restriping work on eastbound 91 at night between the 71 and the 15 on February 21 and 22. During this time, there will be multiple lane and ramp closures on eastbound 91. The southbound 71 to eastbound 91 connector will also be closed.

Expect significant delays during these two nights and use alternate routes if possible. The eastbound 91 Maple Street off-ramp and the eastbound 91 Paseo Grande on-ramp are expected to remain open during this nighttime work. Please note that lane reductions will begin 1-2 hours prior to the 10 pm lane closures.

Please follow posted detour signs, allow extra travel time, and check real-time traffic information using IE511.org.

For questions about the 91 Project in Riverside County, please call the helpline or visit the website noted below. Thank you for your patience and understanding.
