91 Project
Date: February 24, 2017
CONSTRUCTION ALERT

Nighttime Closures of Westbound 91 Lanes and Ramps between the 15 and the 71
Friday, February 24 - 10 pm to 6:30 am
Saturday, February 25 - 11:30 pm to 8 am
Tuesday, February 28 - 8 pm to 4:30 am

As part of the Riverside County Transportation Commission's (RCTC) 91 Project, crews will work to restripe westbound 91 at night between the 15 and the 71 on February 24, 25 and 28. During this time, multiple lanes and ramps will be closed on westbound 91. In the event of a weather delay, the work will take place on the next available day.

Expect significant delays during these three nights and use alternate routes if possible. The westbound 91 Main Street on-ramp and off-ramp and the westbound 91 Green River Road on-ramp and off-ramp are expected to remain open during this nighttime work. Please note that lane reductions may begin approximately 1 hour prior to the nightly closures.

Please follow posted detour signs, allow extra travel time, and check real-time traffic information using IE511.org.

For questions about the 91 Project in Riverside County, please call the helpline or visit the website noted below. Thank you for your patience and understanding.
