Please note that construction activities are subject to change, based on contractor's schedule and weather conditions.

When complete, the Interchange projects will replace the current Citrus Avenue bridge over I-10 with a seven-lane bridge and the current Cherry Avenue bridge over the freeway with an eight-lane bridge. The project also will widen the bridges over the railroad tracks and improve on-ramps and off-ramps. Upgrades will be made at the intersection of Citrus Avenue and Valley Boulevard, Cherry Avenue and Slover Avenue, and other local street improvements.

Thank you for your patience and support during these improvement projects. Please be aware of the construction area and always make a point to... **SLOW FOR THE CONE ZONE** and **MOVE OVER** a lane when it is safe to do so.

Interstate 10 Citrus & Cherry Interchange Projects

February 20, 2014

Temporary Closure of Cherry Avenue/Slover Avenue Intersection

San Bernardino Associated Governments, the City of Fontana, the County of San Bernardino and Caltrans have teamed up to improve the Interstate 10 interchanges at Citrus Avenue and Cherry Avenue in Fontana.

Upgrades to the Cherry Avenue/Slover Avenue intersection will require temporary closures. Cherry Avenue will be closed between Santa Ana Avenue and the eastbound I-10 Cherry Avenue Interchange off-ramp beginning **Friday, March 7 at 10 pm through Monday, March 10 at 5 am.*** In addition, Slover Avenue will be closed from Almond Avenue to Redwood Avenue. During these closures, motorists will be detoured to Etiwanda Avenue for north and south travel and can use the eastbound Etiwanda Avenue off-ramp, to connect with Valley Boulevard or Slover Avenue to connect with Cherry Avenue. Access to businesses will be maintained during these closures. Please follow detour signs and refer to the detour map below. Once this activity is complete, motorists will use the newly constructed west side of the Cherry Avenue bridge.

For questions or concerns, please call the project helpline at 855-INFO-1010 (855-463-6101). Calls will be returned by the next business day.

* *Please note that construction activities are subject to change, based on contractor's schedule and weather conditions.*
