Interstate 15 Paving Project **TEMECULA TO LAKE ELSINORE**

RIVERSIDE COUNTY – Construction crews will continue with the paving project on I-15 that was suspended due to low seasonal temperatures.

Motorists can expect crews to be working on North and Southbound I-15, between Murrieta Hot Springs Road in Temecula and Main Street in Lake Elsinore, the remainder of this week and Monday through Friday next week. Work will be done at night between 7 PM and 5 AM. Be prepared for lane closures.

Expect delays- Give yourself extra commute time. Merge early and make space for vehicles around you- so everyone can get from Point A to Point B successfully.

Stay tuned for weekly updates beginning March 17, 2008. Visit our website often for updates on this and other projects in Riverside and San Bernardino Counties. While there, sign up in the "News and Document Center" to receive Commuter Alerts and News Releases on projects that may affect your commute.
