THE 215 CLOSURES FOR MORE CONNECTOR CONCRETE

RIVERSIDE – The California Department of Transportation (Caltrans) will conduct a nighttime close on Interstate 215. The closure will be from the 60/91/215 Interchange to Columbia Avenue in the northbound direction.

DATES	LOCATION	TIME
Thursday - 8th	NB 215	9:00 p.m. – 5:00 a.m.

During the closures crews will prepare the southeast connector for concrete. For obvious safety reasons, for both motorists and crews, a full closure is required. Motorists traveling through the area will use the prescribed signed detours. Caltrans asks motorists to allow extra travel time as delays are expected.

Detour for Northbound 215: Motorist will be detoured from the eastbound 91 to the southbound 215, exit at University Avenue, left on University Avenue and back onto the northbound 215.

Caltrans wants to thank RCTC and CHP for their support with deploying Freeway Service Patrol (FSP) tow trucks in various construction areas to remove disabled vehicles from the 60/91/215 work zone, reducing the congestion for everyone.

Caltrans would like to thank motorists for their continued patience and support during the 60/91/215 improvement project. Caltrans asks that motorists please be aware of the construction area and always make a point to **SLOW FOR THE CONE ZONE.**
