

CAJALCO ROAD I-15 INTERCHANGE IMPROVEMENT PROJECT

Construction Alert | March 11 - 14, 2019 | Southbound I-15 Full Closure

CONSTRUCTION ACTIVITIES: Crews will work over several nights (weeks) to safely remove the steel beams (falsework) used to form the new Cajalco Rd Bridge.

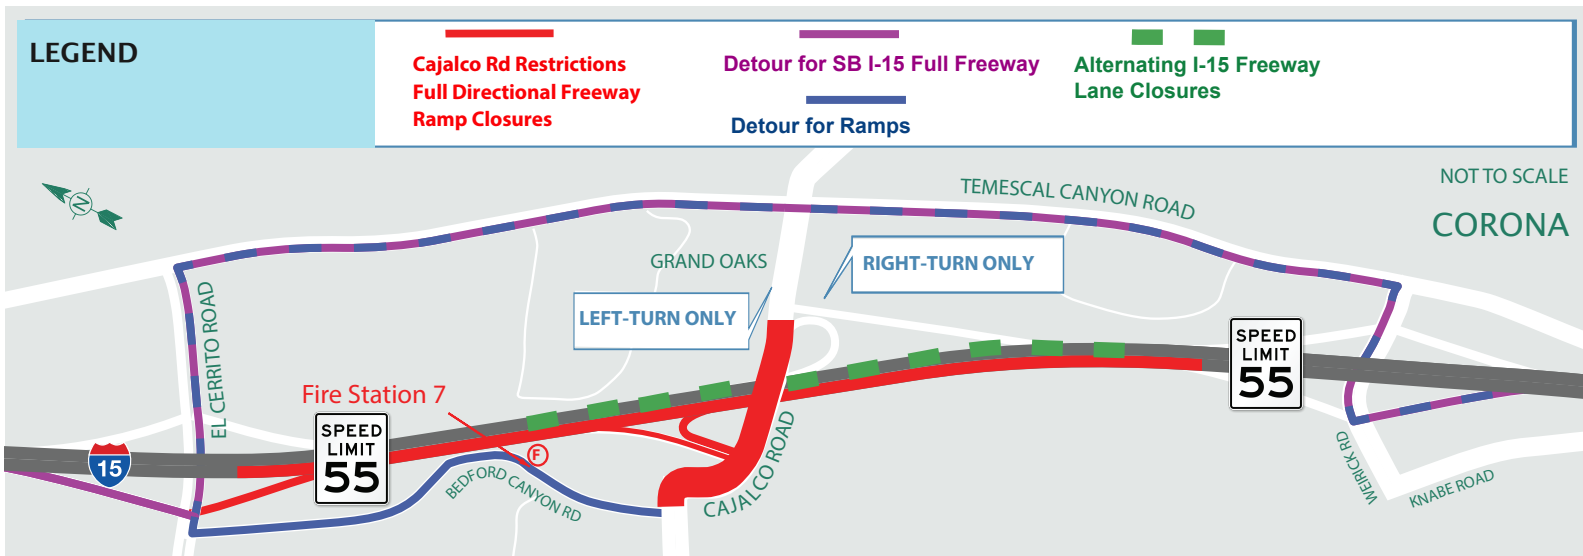

What to expect:*

- Over the next four weeks, the contractor will fully close the I-15 freeway in one direction at a time. Weekly updates will be provided.
- Please be advised, work may be noisy due to construction equipment moving on- and off-site, equipment back up alarms, and other construction related noise.
- Temporary lighting will be used to illuminate areas around the work zone.
- All closures are weather permitting. If inclement weather occurs, the closures will be automatically cancelled and rescheduled.
- Access will be provided for emergency services during the closures.
