## UPDATE

### STATE ROUTE 2 (SR-2) REMAINS CLOSED FOR REPAIRS

**SAN BERNARDINO** – State Route 2 (SR- 2) between Vincent’s Gap and Islip Saddle west of Wrightwood in San Bernardino County remains closed due to above average rock fall and slide material making its way down the saturated slopes and onto the road surface.

The decision was made for the road to remain closed due to safety concerns for motorists. Crews remain committed to removing snow, rock and debris and are actively monitoring slope activity; March 22, 2014 has been set as the target date to re-open this segment (as long as debris making its way down the slopes subsides).

The recent storm brought high levels of rainfall; however, it is important for everyone to remember that California remains in the midst of a very serious drought. Heavy rain and snow would have to fall throughout California very frequently from now until May to reach average annual rain and snowfall. Even with such precipitation, California would remain in drought conditions due to low supplies from the past two years. The Governor has issued an emergency executive order and we are cutting our irrigation by at least 50 percent.
