## STATE ROUTE 330 MAY BE OPEN TO ONE-WAY COMMUTER TRAFFIC IN THE NEAR FUTURE

**San Bernardino Mountains** – State Route 330 has seen great progress since last December’s storm that caused major damage along the route. The most significant damage occurred in three separate locations. Caltrans, Skanska, and Sema Construction have worked diligently to open up an access road in all of these locations. After careful coordination with the contractors, California Highway Patrol, Running Springs Fire Department, San Bernardino County Sheriff’s Department, Cal-Fire, San Bernardino County Fire Department, and U.S. Forest Service, commuters will be able to utilize State Route 330 Monday through Friday during the morning and evening commute times. The roadway will be open to one-way commuter traffic downbound in the morning and upbound in the afternoon for two-hour periods. Please be aware of construction equipment throughout the route. Be aware of your surroundings and drive accordingly. Construction crews along with the California Highway Patrol will be present and safety is our first priority for them and commuters alike.

**Please note:** State Route 330 one-way commute traffic will continue until the project is finished and the route has been completely opened to the motoring public. Be advised that this can change at anytime due to inclement weather, safety concerns, and unsafe driving through the construction zone. Follow us on Twitter @ caltrans8 for the latest updates. Commute times will be strictly enforced when opening and closing the route for commuters. Please see commute times and direction of travel below:

LOCATION	COMMUTE HOURS BEGIN	COMMUTE HOURS END	LANE INFORMATION
Downbound, SR330 from Live Oak Road (Running Springs)	Monday-Friday 6:00 a.m.	Monday-Friday 8:00 a.m.	Traffic will be one direction during commute times. Please utilize the proper lane in each direction. Construction traffic will be present.
Upbound, SR330 from Highland Avenue (Highland)	Monday-Friday 4:00 p.m.	Monday-Friday 6:00 p.m.	

Please follow all advisory signs and **SLOW FOR THE CONE ZONE**.
