**SR-60/Nason Street Overcrossing Bridge Improvements
Project No. 07-41570024; EA 08-323024**

For Immediate Release

To: Motorists, Businesses, Residents, and Interested Parties
Subject: Notice of Freeway Closures on March 15 - 16 and March 23 - 24, 2013 at SR-60/Nason Street

The City of Moreno Valley is constructing improvements to the State Route 60 (SR-60)/Nason Street Overcrossing (Bridge). The contractor is building a new Nason Street Bridge over SR-60 and completing related improvements.

The erection of the temporary support system (falsework) for the west side of the new Nason Street Bridge is the next operation and full freeway closures are necessary.

Eastbound SR-60 at the Nason Street Bridge will be closed beginning at 11:50 PM on Friday, March 15, 2013 and will reopen at 6:00 AM on Saturday March 16, 2013. The detour for this closure will be from SR-60 eastbound, exit at Nason Street. Continue eastbound on the off-ramp, cross over Nason Street, and return onto the eastbound SR-60 on-ramp. This concludes the detour. (See attached detour map). Nason Street northbound will remain open only at the eastbound on-ramp. Nason Street southbound will remain open only at Elder Avenue west or at the Nason Street westbound on-ramp. Motorists may experience delays in this area.

Westbound SR-60 at the Nason Street Bridge will be closed beginning at 11:00 PM on Saturday, March 23, 2013 and will reopen at 7:00 AM on Sunday, March 24, 2013. The Nason Street westbound on and off ramps will be closed from 10:00 pm to 7:00 am. The detour for this closure will be from SR-60 westbound, exit Moreno Beach Drive north. Continue north on Moreno Beach Drive to Ironwood Avenue west. Continue west on Ironwood Avenue to Perris Boulevard south. Continue south on Perris Boulevard to return to SR-60 westbound. This concludes the detour. (See attached detour map). Nason Street northbound and southbound, and the eastbound on- and off- ramps will remain open although motorists may experience delays.

If inclement weather and/or other factors change this schedule, updated notifications will be issued.
