State Route 330 CLOSES (update)

San Bernardino – Crews will be closing State Route 330 on March 16, 2010 until mid-June due to a culvert failure approximately eight miles north of Highland Avenue. Erosion accelerated by recent storms has damaged the existing culvert leaving the area in need of immediate attention. As a result, an emergency project has been initiated. Please see chart below for more information.

LOCATION	DATE/TIME	LANE INFORMATION
State Route 330 at Live Oak Drive	March 16 closed early afternoon	Downbound closed
State Route 330 at Highland Ave	March 16 at 7:00 p.m.	Upbound closed

For access to Running Springs and Big Bear, motorists may still use SR-18/SR-38, from the San Bernardino/Redlands area. However, once the contractor begins the operation, SR 330 will remain closed until the repairs are complete.

Please follow signs for detours and **SLOW FOR THE CONE ZONE**. Construction is expected to last several weeks. This “Alert” will continue to be updated with new information throughout the project.
