PROJECT UPDATE WIRELESS VEHICLE DETECTION SYSTEMS

SAN BERNARDINO COUNTY –Caltrans continues installation of a new wireless vehicle detection system on Inland Empire freeways that analyzes traffic data faster and will ultimately afford faster traffic alerts for the public. Work continues on Interstate 10 this week. Please see below for the project location.

Location	DATE	TIME	CLOSURE
I –10 between Pepper Ave. in Rialto and Wabash Ave. in Redlands	Tues., March 17 th through Fri., March 20 th	9 PM to 5 AM	Numbers 1, 2, and 3 lane-alternating lane closures

Advisory signs will be posted. Merge early and make space for the cars around you. Allow extra commute time. **Most importantly- SLOW DOWN- crews will be on foot and will be working in lanes at night!**

Visit www.caltrans8.info for information on projects in District 8. Access Commuter Alerts and Press Releases by clicking on ‘News and Document Center’ or call us at (866) 383-4631.
