INTERSTATE 15 PAVING PROJECT TEMECULA TO LAKE ELSINORE

RIVERSIDE COUNTY – Construction crews continue the paving project on I-15 between Murrieta Hot Springs Road in Temecula and Nichols Road in Lake Elsinore.

Crews will be replacing pavement markers tonight and tomorrow night between 9 PM and 3 AM requiring moving lane closures. Anticipate the construction crew to be in the area. Minor delays are expected due to lower nighttime traffic volume.

Times are tight. Do you have \$1000 to spare to pay a fine for speeding through a construction zone? Reduce your speed to posted limits through the project.

Visit our website often for updates on other projects in Riverside and San Bernardino Counties. While there, sign up in the "News and Document Center" to receive Commuter Alerts and News Releases on projects that may affect your commute.

SLOW FOR THE CONE ZONE!
Five words that literally save lives!
