## EMERGENCY BRIDGE REPAIR BEGINS ON SR 60 AT THEODORE STREET IN MORENO VALLEY WITH FULL WESTBOUND FREEWAY CLOSURE

**SAN BERNARDINO--** The California Department of Transportation (Caltrans) will begin work on the \$2 million State Route 60 (SR-60)/Theodore Street Bridge next week. This emergency project was awarded to Skanska USA, Inc. to repair the damage caused by an excavator being hauled on a flatbed truck striking the bridge in January. Two girders were damaged and the overpass has been closed since that time.

The contractor will begin by removing the damaged rail barrier and girders. For safety reasons, **a full westbound freeway closure at the bridge** will begin on Tuesday, March 24<sup>th</sup> and will continue through Friday, March 27. These closures will take place from 7:00 p.m. through 6:00 a.m. each day. The westbound Theodore Street on-ramp will also be closed. Detours will be posted.

This emergency project is scheduled to be completed summer 2015.
