## STATE ROUTE 2 (SR-2) OPENS THIS WEEKEND

**SAN BERNARDINO** – State Route 2 (SR-2) between Vincent’s Gap and Islip Saddle west of Wrightwood in San Bernardino County will open tomorrow, Saturday, March 22, 2014 at 9 a. m. The winter storm in late February caused avalanches, fallen rocks and trees, and mud flow down the slopes onto the ten-mile stretch of highway.

Caltrans crews have spent the last three weeks repairing guard rail, as well as cleaning mud, snow, rocks, and debris off the roadway. Activity on the slopes has diminished; however, motorists are advised to anticipate the normal rock fall on the road that finds its way down from upper elevations.

Caltrans reminds everyone that California remains in the midst of a very serious drought. Heavy rain and snow would have to fall throughout California very frequently from now until May to reach average annual rain and snowfall. Even with such precipitation, California would remain in drought conditions due to low supplies from the past two years. Caltrans is cutting its irrigation by fifty percent as directed through the Governor’s emergency executive order.
