CALTRANS

Subject: Overhead Electrical Wire Maintenance across I-15

Southern California Edison (SCE) appreciates the opportunity to address the California Department of Transportation regarding the overhead electrical wire maintenance being proposed on I-15. To properly notice the traveling public, we have provided a general statement that will be released to the traveling public through radio media that is as follows:

The Cajon Summit / Oak Hills Area of the High Desert – Southern California Edison construction crews will be briefly closing the southbound lanes of the I-15 at **Joshua Street** and the northbound lanes of the I-15 at **Oak Hills Road**. The closures are part of ongoing overhead electrical wire maintenance. During this time, traffic will be diverted to frontage roads. Please plan for additional time in completing your travel through the area. Detour signs will be utilized to notify the motoring public in advance. CHP will be monitoring the flow of traffic within the project limits for your safety. See schedule provided below:

LOCATION	DATE / TIME	LANE INFORMATION
I-15 Northbound from Oak Hills Road to Joshua Street	Saturday, March 27, 6:00 a.m. to 10:00 a.m. and Sunday, March 28, 6:00 a.m. to 10:00 a.m.	Full freeway closure
I-15 Southbound from Joshua Street to Oak Hills Road	Saturday, March 27, 6:00 a.m. to 10:00 a.m. and Sunday, March 28, 6:00 a.m. to 10:00 a.m.	Full freeway closure

The following media outlets will be used to notify the travelling public:
