

I-215 / NEWPORT ROAD INTERCHANGE PROJECT

Traffic Merge on Newport Road Bridge

The City of Menifee and the Riverside County Transportation Department is advising motorists to be aware of traffic pattern changes around the I-215 and Newport Road interchange. Demolition of the south side of the bridge will tentatively begin **as early as Monday, April 4, 2016** with reconstruction of the new bridge to follow immediately after.

Construction crews will shift Newport Road traffic onto the north side of the bridge and the traffic merge will run in both directions from April through October.

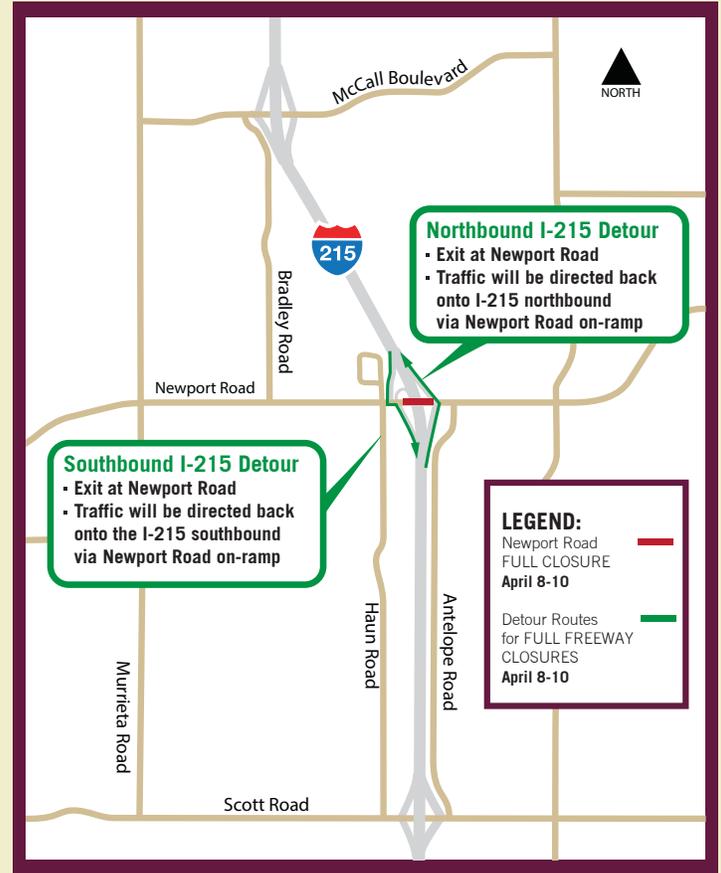

In this temporary configuration, the eastbound traffic will include two through lanes, one dedicated left-turn lane for the northbound I-215 on-ramp, and one dedicated right-turn lane for the southbound I-215 on-ramp. Westbound traffic will include two through lanes, and one dedicated right-turn lane for the northbound I-215 on-ramp.

Lane Closures and Night Work

See map for detour routes. ▶

April 11-15 Monday-Friday 10pm-6am	<ul style="list-style-type: none"> Intermittent freeway lane closures on northbound I-215 between Scott Road and McCall Boulevard Intermittent ramp closures on northbound I-215 on- and off-ramps

NOTE: Information contained in this Construction Alert is subject to change without notice, based on inclement weather, field conditions or other operational factors.

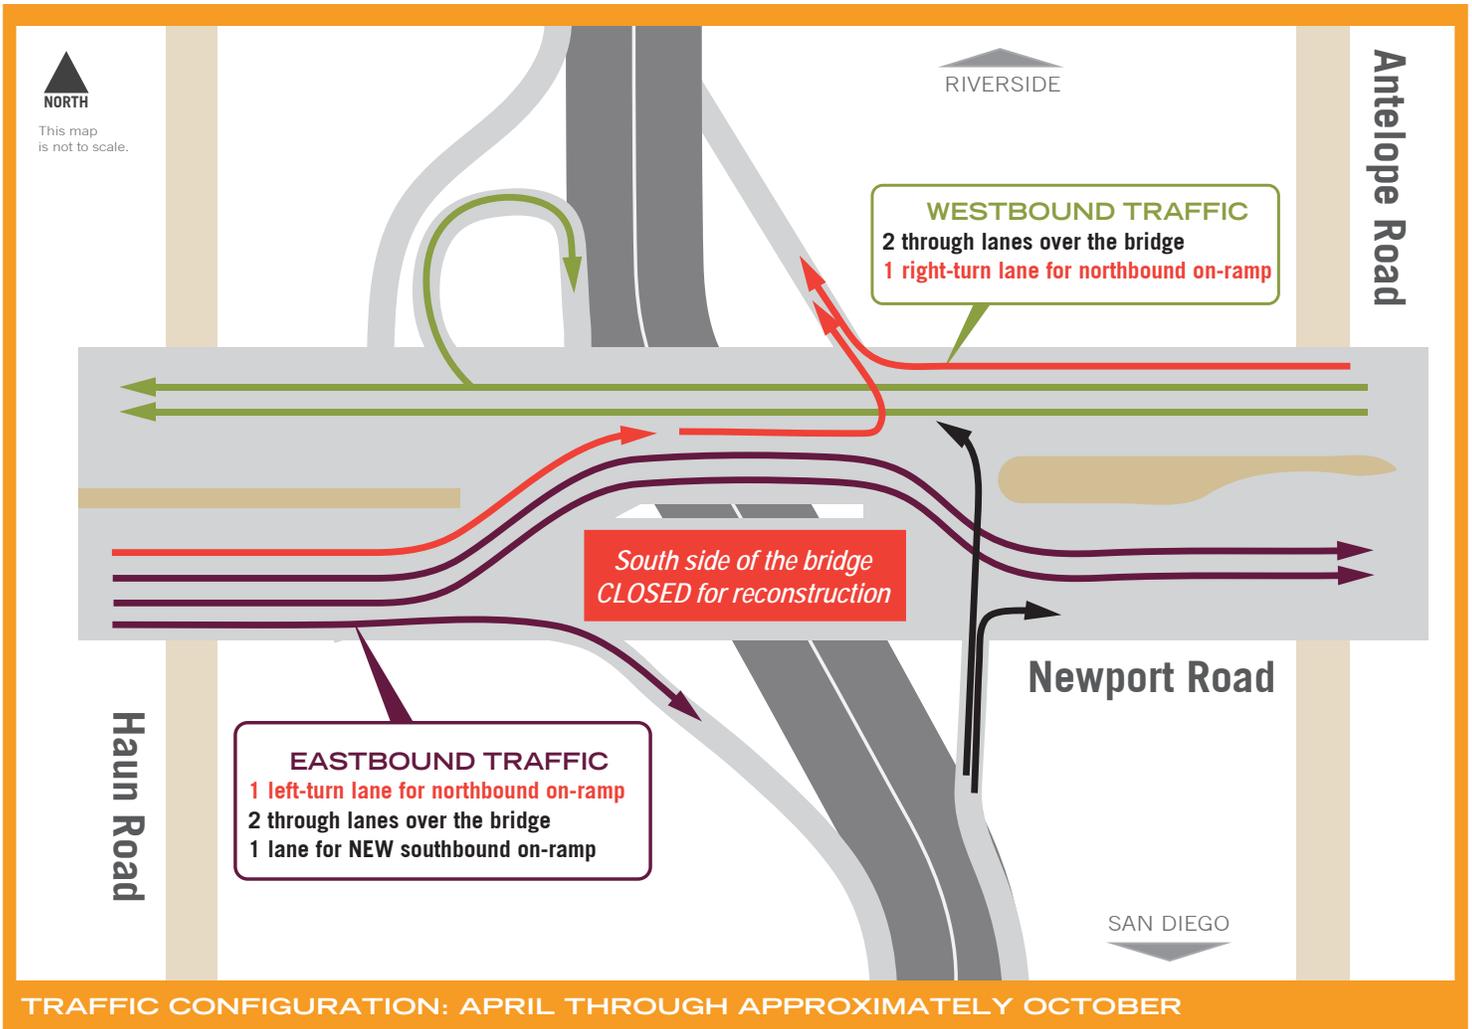

Please plan ahead in anticipation of the temporary increased traffic in this area. If possible, please avoid the project corridor and use an alternate route. Motorists and pedestrians should slow down and use caution when traveling through work zones, near barricades and use equipment.

Project Schedule

#MenifeeMerge

NEW Traffic Configuration on Newport Road for Bridge Demolition and Reconstruction

To ensure safety of motorists and construction crews, the eastbound and westbound lanes will be reconfigured to allow crews to safely demolish and reconstruct the south side of the bridge on Newport Road.

Please be advised that lanes will temporarily be shifted to the north side of the bridge beginning tentatively on **Monday, April 4** and continue through approximately **October 2016**.

Eastbound traffic on Newport Road:

Eastbound traffic will include two through lanes, one dedicated left-turn lane for the north I-215 on-ramp, and one dedicated right-turn lane for the southbound I-215 on-ramp.

Westbound traffic on Newport Road:

Westbound traffic will include two through lanes, and one dedicated right turn lane for the northbound I-215 on-ramp.
