## Interstate 215 Improvement Project Update #9

**San Bernardino** – Motorists are continuing to see construction activities on the I-215 between Orange Show Road and Rialto Ave. Paving and re-striping on the shoulder will allow for traffic to eventually be shifted to the right side for work in the median. Work will begin to widen Inland Center Drive and Mill Street. In order to keep you moving and on time we have provided the work schedule below.

DATE	LOCATION	LANES INFORMATION	CLOSURE HOURS
Mon. – Fri.	North & southbound I-215 from Orange Show Road to Rialto Ave.	At least one lane will remain open at all times and alternating ramp closures	9:00 p.m. to 5:00 a.m.
Sun. – Sat.	Inland Center Drive over crossing	Reduced to one lane in each direction	Seven days a week 24 hours a day until further notice
Sun. – Sat.	Mill Street under crossing from "I" to Crescent St.	Reduced to one lane in each direction	Seven days a week 24 hours a day until further notice

Please allow additional travel time due to lanes being restricted. To avoid rear end collisions merge early and allow distance between you and the car in front of you.

This "Alert" will continue to be updated with new information for the duration of the project. For your convenience you may sign up for automatic notification of this alert by visiting our website at [www.caltrans8.info](http://www.caltrans8.info) and go to "CT Connect" or News and Document Center.

For information on the entire project you may also go to [www.sanbag.ca.gov](http://www.sanbag.ca.gov).

Caltrans would like to thank motorists for their continued patience during the I-215 improvement project. Caltrans asks that motorists please be aware of the construction area and always make a point to **SLOW FOR THE CONE ZONE**.
