PROJECT UPDATE **WIRELESS VEHICLE DETECTION SYSTEMS**

SAN BERNARDINO COUNTY –Caltrans continues installation of a new wireless vehicle detection system on Inland Empire freeways that analyzes traffic data more quickly and will afford more timely traffic alerts for the public. Work continues on Interstate 10 and Interstate 215 next week. Please see below for the project location.

| Location | DATE | TIME | CLOSURE |
|--|--|---------------|---------------------------|
| On I-10 between I-15, Ontario and Mt Vernon Ave., Colton | Nights of April 6 th thru April 9 th | 10 PM to 4 AM | Alternating lane closures |
| On I-215 in Grand Terrace north of Barton Road and at University Parkway in San Bernardino | Nights of April 6 th thru April 9 th | 10 PM to 4 AM | Alternating lane closures |

Advisory signs will be posted. Merge early and make space for the cars around you. Allow extra commute time. **Most importantly- SLOW DOWN- crews will be on foot and will be working in lanes at night!**
