

# I-215 / NEWPORT ROAD INTERCHANGE PROJECT

## Construction Alert

Construction Activity, April 4-7, 2016

### Intermittent closures for ramp and bridge construction at Newport Rd.

Date/Time	Location/Details
April 4-7 Monday-Thursday 8pm-5am	<ul style="list-style-type: none"> <li>Intermittent freeway lane closures on <b>southbound I-215</b> between Scott Road and McCall Boulevard</li> <li>Intermittent ramp closures on <b>southbound I-215 on- and off-ramps</b></li> </ul>
April 4-7 Monday-Thursday 10pm-6am	<ul style="list-style-type: none"> <li>Intermittent freeway lane closures on <b>northbound I-215</b> between Scott Road and McCall Boulevard</li> <li>Intermittent ramp closures on <b>northbound I-215 on- and off-ramps</b></li> </ul>
April 4-7 Monday-Thursday 8pm-6am	<ul style="list-style-type: none"> <li>Intermittent lane reductions on Newport Road between Haun Road and Antelope Road</li> </ul>
April 5-6 Tuesday-Wednesday 9pm-5am	<ul style="list-style-type: none"> <li>Full Closure on <b>eastbound Newport Road</b> to safely merge all lanes and pedestrian traffic to the north bridge span</li> </ul>

### Menifee Merge on Newport Road Bridge

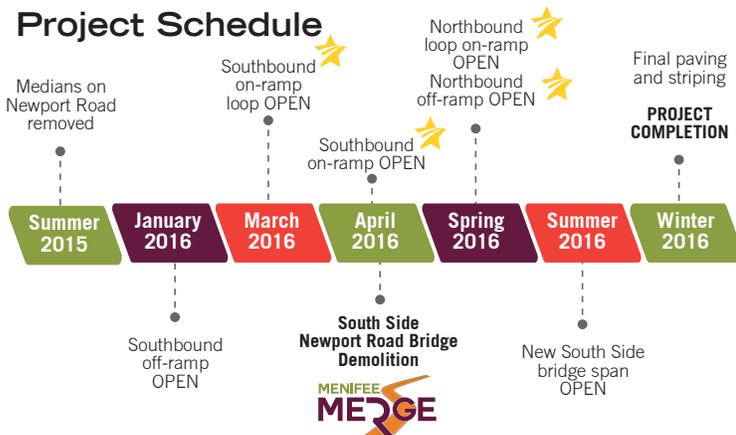

The City of Menifee and the Riverside County Transportation Department is advising motorists to be aware of traffic pattern changes around the I-215 and Newport Road interchange. Demolition of the south side of the bridge will begin tentatively on Friday, April 8, weather permitting, with reconstruction of the new bridge to follow immediately after.

Construction crews will shift Newport Road traffic onto the north side of the bridge as early as Monday, April 4, and the traffic merge will run in both directions from April through October.

In this temporary configuration, the eastbound traffic will include two through lanes, one dedicated left-turn lane for the northbound I-215 on-ramp, and one dedicated right-turn lane for the southbound I-215 on-ramp. Westbound traffic will include two through lanes, and one dedicated right-turn lane for the northbound I-215 on-ramp.

Please plan ahead in anticipation of the temporary increased traffic in this area. If possible, please avoid the project corridor and use an alternate route. Motorists and pedestrians should slow down and use caution when traveling through work zones, near barricades and equipment.

### Project Schedule

*NOTE: Information contained in this Construction Alert is subject to change without notice, based on inclement weather, field conditions or other operational factors.*
