Interstate 15 & State Route 60 Emergency Paving Projects

San Bernardino County – Caltrans will begin two emergency paving projects to repair deteriorated pavement on portions of Interstate 15 in the Cajon Pass and State Route 60 in Ontario. The work will take place at night to avoid lengthy delays for motorists. The project on I-15 is expected to last approximately one month and about one week on SR-60. Lane closures are necessary for the repairs, however at least two lanes will be available at all times during the work hours. Please be advised that the work is weather permitting, since there still may be a chance of inclement weather this spring.

Schedule for Week of April 11th
