WHO County Transportation Department

WHAT Alternating closures of number 1 and number 2 lanes on I-10 EB and WB at Jefferson Street

The contractor's operations have been planned to minimize impacts to motorists traveling to and from Coachella Fest or Stage Coach. K-rail will be installed in order to provide a safety barrier for workers and the traveling motorists. All existing lanes along I-10 in the construction area will be available to motorists after the k-rail has been installed.

WHERE I-10 at Jefferson Street Interchange in Indio, CA

WHEN April 7 at 10:00 p.m. to April 8 at 6:00 a.m.

WHY The purpose of these closures is to allow construction crews to:

- Install K-rail along the I-10 median
- Install storm water pollution prevention measures
- Install fencing to identify environmentally sensitive areas (ESA)
- Begin excavating, install shoring and drive piles within the median

DETOUR No detours are required.
