Nighttime Lane Closures Scheduled for Interstate 15

VICTORVILLE, CA – As part of the ongoing La Mesa/Nisqualli Interchange Project, San Bernardino Associated Governments, in coordination with the California Department of Transportation and City of Victorville, will require the nighttime closure of the two inside lanes for both directions of Interstate 15 between Bear Valley Road and Palmdale Road.

These nighttime lane closures will begin Wednesday, April 11th and continue through Wednesday, April 25th, weather permitting. Northbound lane closure hours will be from 10:00pm to 5:00am for work Sunday through Thursday and 11:00 pm to 5:00am on Fridays. Southbound lane closures will be from 11:00pm to 4:00am on Sundays, 9:00pm to 4:00am on Monday through Thursday, and 10:00pm to 5:00am on Fridays (See chart below). One lane will remain open in both directions at all times.

These lane closures are necessary to allow crews adequate and safe working space for work in the median in preparation for the support structures in the middle of the new La Mesa/Nisqualli Interchange. Motorists are encouraged to slow down when entering the construction zone and use caution around construction equipment and construction personnel.

Location	Days	Hours	Details
