(909) 383-6290

BRIDGE REHABILITATION ON I-215 IN RIVERSIDE

Riverside – Construction begins April 16th and continues for seven weeks on the University Avenue, Chicago Avenue, Spruce Street and Down Street bridges along the I-215 in Riverside. The \$299,000 bridge rehabilitation contract was awarded to Truesdall Corporation earlier this year. This project will seal the bridge decks, repair joint seals, spalls, and railings which will extend the service of these structures. This work will be carried out at various locations on both the NB and SB side of Rte I-215 between University Ave UC and Down Street OH.

The contractor's working hours will be Monday – Friday from 8:00 p.m. to 6:00 a.m. There will be alternating lane closures in addition to ramp and connector closures during this project.

For more information on this and other Caltrans projects, visit our Web site at **www.caltrans8.info** and click on "News and Document Center." While there, sign up to receive Commuter Alerts automatically in your email.

Please remember to **SLOW FOR THE CONE ZONE & MOVE OVER**
