## STATE ROUTE 2 (SR-2) OPENS TOMORROW

**SAN BERNARDINO** – Caltrans District 8 has cleared away the remnants of this past winter and repaired State Route 2. The route will re-open from winter closure, between Vincents Gap and Islip Saddle, tomorrow, April 17, 2015, at 7:00 am.

This stretch of mountain highway, located west of Wrightwood and leading to Los Angeles County, typically closes every winter because of heavy snow, avalanche activity, and concern for motorist safety. It usually takes until Memorial Day to reopen this stretch.

Caltrans crews have spent the last five weeks repairing guard rail, clearing drains, re-establishing flow lines, removing slide materials, as well as clearing mud, snow, rocks, and debris. The roadway is once again open to the traveling public and sightseeing enthusiasts.

**Motorists are advised that the route is subject to closure due to unforeseen events such as rock fall or storms.**
