FOR IMMEDIATE RELEASE

STATE ROUTE 138 (SR-138) WIDENING (WEST) PROJECT CONTINUES WITH FLAGGING

SAN BERNARDINO—The California Department of Transportation (Caltrans) continues work on the \$52.1 million State Route 138 (SR-138) Widening (West) Project this week. Flagging is expected on SR-138 at Hess, Phelan, Beekley and Lone Pine Roads Monday—Friday from 7 a.m. to 5 p.m. The flagging is needed to complete grading, concrete placement and transplanting of Joshua Trees.

The project will widen SR-138 to four lanes with a four foot median buffer from Phelan Road to Interstate 15 (I-15). It will also construct turn pockets at selected local intersections, upgrade shoulders to current standards, extend drainage as necessary and construct two wildlife crossings.

The project will improve the operational efficiency of the highway, as well as upgrade SR-138 to current standards. It is estimated to be complete in December 2016.

For more information on these and other Caltrans projects, please visit our website and sign up for COMMUTER/MEDIA E-MAIL ALERTS. View traffic conditions at <http://quickmap.dot.ca.gov> or view planned lane closures at www.lcswebreports.dot.ca.gov.
