CALTRANS BEGINS REPAIRS ON STATE ROUTE 74 IN HEMET

SAN BERNARDINO- Caltrans has awarded a \$1.45 million, nine week project to Pavement Coatings Company of Mira Loma, CA which will make repairs to State Route 74 (SR-74) from one-half mile west of Warren Road to Dartmouth Road in Hemet beginning Monday, May 2, 2016.

Specific areas of SR-74 will have the asphalt concrete surfacing replaced. Once repairs are completed, the contractor will then apply a slurry seal to the entire six-mile segment that will aid in road preservation.

Operating hours for the project are 5:00 a.m. to 2:00 p.m. Monday through Friday. One lane will be available through the immediate work area at all times.

Thank you for your patience as Caltrans works to improve your ride on SR-74.
